

Jaworski has internship

Nicole Jaworski, a senior at North Carroll High School, is participating in an internship at Teltek Systems through Career Connections.

Career Connections gives students such as Jaworski the op-

portunity to experience the working atmosphere of preferred careers.

Teltek Systems, in Westminster, provides Jaworski with knowledge in the marketing and business field.

Internships offer students an outlook on the real working world as well as help establish a sense of independence among the interns.
