

EXPERIENCE THE TELTEK DIFFERENCE

Teltek is a woman-owned telecommunications and technology solutions integrator, Certified Avaya Business Partner, NEC Dealer and Microsoft Partner. With two locations in Maryland, we specialize in providing one-call telecommunications and technology support for small to mid-sized businesses and nonprofits across the Mid-Atlantic region.

Our dedicated team of experts enables Teltek to provide, install and repair business phone systems and computer networks, run voice and data cabling and coordinate local, long-distance and internet service providers; all under the watchful eye of devoted project managers.

Teltek's extensive past and present client list includes the following prominent organizations:

- Alexandria Associates in Dermatology
- American Tort Reform Association
- Association of Luxury Hotels
- Bradshaw Construction
- Carroll Area Transit Systems (CATS)
- Carroll County Chamber of Commerce
- Close Call America
- John Sarbanes for Congress
- LIFT (formerly National Student Partnerships)
- Maryland Army National Guard
- Maryland Disability Law Center
- Montgomery County Republican Party
- National Association of Area Agencies on Aging
- Southway Builders
- Sykesville-Freedom District Fire Department
- Westchester Apartments
- Women's Housing Coalition
- Women's Law Center of Maryland
- Young Democrats of Washington, DC

With nearly 50 years of experience, chances are someone you know is doing business with us. Find out what over 2,000 clients across 13 states already know; we keep our customers for a lifetime by providing reliable, honest and efficient service with a memorable experience.

That's the Teltek Difference!
